Seacoast Mental Health Center (SMHC) is one of ten non-profit state-designated community mental health centers (CMHCs) in New Hampshire. As a CMHC, we provide evaluations and treatment services to children, adolescents and families, adults, and the elderly who reside in our catchment area regardless of their ability to pay. We accept most major insurances and offer a sliding fee scale for uninsured consumers living in the eastern half of Rockingham County.

The mission of Seacoast Mental Health Center is to provide a broad, comprehensive array of high quality, effective and accessible mental health services to residents of the eastern half of Rockingham County.

Active Minds empowers students to change the perception about mental health on college campuses. Active Minds supports a network of campus-based chapters across the United States and Canada that are made up of students passionate about mental health advocacy and education. Chapters provide their campuses with a wide range of programming that educates their peers about mental health, connects students to resources, and aims to change negative perceptions about mental health disorders. Active Minds chapters are changing the way students address mental health and giving a voice to this important issue. Learn more at www.activeminds.org.
