**Active Minds** empowers students to change the perception about mental health on college campuses. Active Minds supports a network of campus-based chapters across the United States and Canada that are made up of students passionate about mental health advocacy and education. Chapters provide their campuses with a wide range of programming that educates their peers about mental health, connects students to resources, and aims to change negative perceptions about mental health disorders. Active Minds chapters are changing the way students address mental health and giving a voice to this important issue. Learn more at [www.activeminds.org](http://www.activeminds.org).
