MHA is a powerful voice for healthy communities throughout the nation and offers information, referrals, and resources for individuals living with any type of mental illness. One of MHA's services includes online screening, which is one of the quickest and easiest ways to determine whether you are experiencing symptoms of a mental health condition. **Mental health conditions, such as depression or anxiety, are real, common and treatable. And recovery is possible.**

Since 1957, Mental Health America of Southeast Florida has remained true to our mission of promoting mental health through education, prevention, research, advocacy and empowerment. Mental health services include information and referral, school-based prevention programs for children, education and support of parents so they can make their families strong. In addition, for over 20 years, our 9MusesArtCenter has helped adults find hope and enjoy a better quality of life.

NAMI is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Your local NAMI Affiliates and volunteer leaders work in communities across the country to raise awareness and provide essential and free education, advocacy, and support group programs.

NAMI Broward County offers free education programs along with support, guidance, and hope for those in the Broward County/Fort Lauderdale Florida region living with mental health illnesses.

Depression and Bipolar Support Alliance (DBSA) changes lives, saves lives and impacts lives, through education, peer support groups and advocacy for those diagnosed with a mental health illnesses and empowers their family and friends to embrace their independence, advocate for improved services, and to love them for who they are.

DBSA South Florida is a locally-run, independent affiliate of the National DBSA and offers peer-led support groups providing a place where people with mood disorders and those who care about them can share experiences, discuss wellness skills, and offer hope to one another. We've been there. We can help.
