NAMI is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Your local NAMI Affiliates and volunteer leaders work in communities across the country to raise awareness and provide essential and free education, advocacy, and support group programs.

NAMI Butler County was founded as an affiliate in 1992 and has worked faithfully since that time to provide hope and help to family, friends and individuals impacted by mental health disorders in and around Butler County. We do this through education, support, advocacy and working against stigma.
