

**Neuro-Behavioral Clinical Research** provides access to most promising new medical and psychiatric treatment options. Located in North Canton, Ohio, founder and CEO Shishuka Malhotra M.D., a Board Certified Psychiatrist, runs both a clinical practice along with a cutting-edge research facility. With over 18 years of research experience, and 20 years of clinical, Dr. Malhotra is passionate about the work she does and works daily as an advocate for mental health.

**Thank you for being a hero! Your participation in research gives hope to countless individuals living with mental health conditions.**

We are happy to work with you but want to provide you with additional support options. Below, you will find information on local advocacy organizations where you and your loved ones can find support services and education.

 <p><b>MHA</b> is a powerful voice for healthy communities throughout the nation and offers information, referrals, and resources for individuals living with any type of mental illness. One of MHA’s services includes online screening, which is one of the quickest and easiest ways to determine whether you are experiencing symptoms of a mental health condition. Mental health conditions, such as depression or anxiety, are real, common and treatable. And recovery is possible.</p> <p>Since 1953, Mental Health America of Licking County has been dedicated to responding to the community and its mental health and wellness needs, empowering people to live healthy lives and achieve their full potential. What we do: educate the community about mental health issues, prevention strategies and available resources. Let us know how we can help!</p>	<p><b>MHA of Licking County</b>          65 Messimer Drive, Unit 3          Newark, OH 43055          Phone: (740) 522-1341  <a href="http://www.mhalc.org/">http://www.mhalc.org/</a>  <a href="http://mhaohio.org">http://mhaohio.org</a></p>
 <p><b>NAMI</b> is the nation’s largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Your local NAMI Affiliates and volunteer leaders work in communities across the country to raise awareness and provide essential and free education, advocacy, and support group programs.</p> <p>NAMI Stark County is a group of volunteers whose lives have been touched by mental illness personally or professionally. We are dedicated to improving the lives of people in Stark County who have been touched by mental illness through NAMI public education and information; family and consumer peer education and support; advocacy on behalf of people living with mental illness and for the health of our community; and visible public events that raise funds and awareness.</p> <p>Our Programs Serve 3 Core Populations:</p> <ul style="list-style-type: none"> <li>✓ Family members having an adult loved one with mental illness;</li> <li>✓ Adults with mental illness;</li> <li>✓ Parents of children/adolescents with behavioral health issues</li> </ul>	<p><b>NAMI Stark County (OH)</b>          121 Cleveland Ave. S.W.          Canton, OH 44702          Tel: 330 455-6264  <a href="mailto:namistark@namistarkcounty.org">namistark@namistarkcounty.org</a>  <a href="https://namistarkcounty.org">https://namistarkcounty.org</a>  <a href="https://namiohio.org/">https://namiohio.org/</a></p>
