Patient Priority Clinical Sites

MHA is a powerful voice for healthy communities throughout the nation and offers information, referrals, and resources for individuals living with any type of mental illness. One of MHA's services includes online screening, which is one of the quickest and easiest ways to determine whether you are experiencing symptoms of a mental health condition. Mental health conditions, such as depression or anxiety, are real, common and treatable. And recovery is possible.

MHANKYSWOH provides free unbiased reliable information and referrals to physicians, agencies, and other providers. Our goal is for you to be mentally well and substance abuse free so that you can participate fully in a caring community and achieve your full potential. Our vision focuses on recovery and self-determination. It emphasizes the importance of peer support and focuses on the person.

NAMI is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Your local NAMI Affiliates and volunteer leaders work in communities across the country to raise awareness and provide essential and free education, advocacy, and support group programs.

For the past 10 years NAMI Urban Greater Cincinnati Network on Mental Illness has held events during July to celebrate Bebe Moore Campbell National Minority Mental Health Awareness month. This year, due to COVID-19, we've decided to launch a virtual challenge to collect 100,000 blue hearts in support of minority mental health. Please join us in supporting our important work!
