National Alliance on Mental Illness

**NAMI** is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Your local NAMI Affiliates and volunteer leaders work in communities across the country to raise awareness and provide essential and free education, advocacy, and support group programs.

NAMI Oklahoma is a passionate team made of families, members, affiliates, and partners throughout the state who are leading the change on mental illness. NAMI Oklahoma has grown to include seven affiliates throughout the state that facilitate support groups, conduct education programs, and speak in the community to increase understanding and bring awareness to mental illness issues and to share the message that treatment can be effective.

Mental Health America

**MHA** is a powerful voice for healthy communities throughout the nation and offers information, referrals, and resources for individuals living with any type of mental illness. One of MHA's services includes online screening, which is one of the quickest and easiest ways to determine whether you are experiencing symptoms of a mental health condition. Mental health conditions, such as depression or anxiety, are real, common and treatable. And recovery is possible.

MHA supports communities by providing information and through our regional affiliates and support groups. We believe in inclusivity and work with ALL individuals and their families through each step on the path to wellness, from making initial referrals, to providing free mental health services, to helping maintain stability and productivity once they are achieved.

independence, advocate for improved services, and to love them for who they are.

DBSA has support groups in most states, as well as peer-based, wellness-oriented support and empowering services and resources available when people need them, where they need them, and how they need to receive them—online 24/7, in local support groups, in audio and video casts, or in printed materials distributed by DBSA, its chapters, and mental health care facilities across America.
