Pillar Clinical Research – Richardson, TX

MHA is a powerful voice for healthy communities throughout the nation and offers information, referrals, and resources for individuals living with any type of mental illness. One of MHA's services includes online screening, which is one of the quickest and easiest ways to determine whether you are experiencing symptoms of a mental health condition. Mental health conditions, such as depression or anxiety, are real, common and treatable. And recovery is possible.

MHA of Greater Dallas promotes mental wellness through community education and policy advocacy. MHA of Greater Dallas has helped our community improve mental health through advocacy, community education and resources for both adolescents and adults. As a non-profit we're committed to helping our Dallas-area community by giving a voice to people without one, helping people help themselves and changing how people think about mental illness and mental health.
