National Alliance on Mental Illness

NAMI is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Your local NAMI Affiliates and volunteer leaders work in communities across the country to raise awareness and provide essential and free education, advocacy, and support group programs.

NAMI GC and NAMI Lorain County are local affiliates of NAMI with peer, family, professional and organizational members. We provide support to those with serious mental illness, such as schizophrenia, bipolar disorder, clinical depression and anxiety disorders and their family members. We offer a variety of free support groups, education programs, information and referral, and advocacy. Volunteer peers and family members provide almost all of the services at NAMI GC and LC.
