National Alliance on Mental Illness

NAMI is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. Your local NAMI Affiliates and volunteer leaders work in communities across the country to raise awareness and provide essential and free education, advocacy, and support group programs.

NAMI Dallas Southern Sector is committed to promoting awareness and providing education to the public. We help to improve the quality of life for people affected by mental illness and their family members by providing support, education, referral services, and legislative advocacy for Southern Dallas County.

Mental Health America

MHA is a powerful voice for healthy communities throughout the nation and offers information, referrals, and resources for individuals living with any type of mental illness. One of MHA's services includes online screening, which is one of the quickest and easiest ways to determine whether you are experiencing symptoms of a mental health condition. Mental health conditions, such as depression or anxiety, are real, common and treatable. And recovery is possible.

Mental Health America of Greater Dallas (MHA Dallas) champions for the mental well-being of all. Since 1947, MHA Dallas has helped our community improve mental health through advocacy, community education and resources for both adolescents and adults. As a non-profit we're committed to helping our Dallas-area community by giving a voice to people without one, helping people help themselves and changing how people think about mental illness and mental health.
